7. VET Assessor qualifications

The National Skills Standards Council (NSSC) is responsible for setting the competency standards required by VET trainers who deliver training and assessment services. It is the requirement for all accredited assessors to hold the appropriate and up to date qualification for delivering training and assessment and the qualification has been endorsed by the Australian Skills Quality Authority (ASQA). All accredited assessors are required to hold the following qualification:

- TAE40110 – Certificate IV in Training and Assessment; or
- A diploma or higher qualification in adult education.

Do you hold the appropriate assessor qualifications?

Yes (**Attach a copy of your qualification document**)

No

8. Relevant Industry/Operational Experience

This section must be photocopied and completed for each class applied for, including each class applied for within an encompassed structure.

Applicants should show a minimum of two years relevant current industry and operational experience in the high risk work for which accreditation is sought, with at least six months for each encompassing licence.

Written references must be provided in support of the information supplied. They must be on an employer's/contract agency's letterhead, contain contact details and be dated and signed.

Current industry skills and operational experience may be evidenced by documents such as:

- Letters from employer's or persons conducting businesses or undertakings for whom the applicant has performed the relevant HRW which must be dated and signed
- Contracts evidencing the engagement of the applicant to perform the relevant class of HRW
- Work diaries or logbooks created by the applicant at the time of performing the relevant HRW

Statement of Experience for the Class:

Training / Assessor Experience
