All Sections Completed

Declaration Signed

All fields must be completed. **Application fee is non-refundable.**

A fireworks permit is unlikely to be granted where the proposed display site is:

- located in Acton Park, Allens Rivulet, Carlton, Devon Hills, Dodges Ferry, Orielton, Roches Beach or Sandford
- in close proximity to privately owned horses/livestock which might be harmed if a fireworks display was to be conducted
- within 1 kilometre of a commercial boarding kennel or commercial horse business
- within 3 kilometres of a sanctuary or conservation area, such as Bonorong Wildlife Sanctuary, Tasmania Zoo, and Trowunna Wildlife Park

(Applicants intending to hold a fireworks display in these areas should seek alternative locations.)

Fit and Proper Person Criteria – Applicant

An application may be refused if the applicant is not considered to be fit and proper person to hold a fireworks display, having regard to the criteria in Schedule 4 of the *Explosives Regulations 2012*.

To be completed by the Applicant	Yes	No
<ol style="list-style-type: none"> 1. Do you have any qualifications in relation to explosives? 2. Do you have any conditions which might affect your mental fitness to be a fit and proper person? 3. Have you ever been refused a fireworks display permit? 4. Have you ever been convicted of a terrorism offence? 5. Have you ever been convicted of an any offence involving: <ul style="list-style-type: none"> • violence or weapons? • dishonesty? • the obstruction or intimidation of persons exercising or performing statutory powers or functions? • explosives or dangerous substances? • Have you ever contravened any laws relating to explosives? <p style="text-align: center;">If you answered yes to any of the above, please provide details in a separate document.</p>		
Site Assessment – Environmental Harm		
<p>Is the proposed site:</p> <ul style="list-style-type: none"> • more than 500 metres from any livestock, including privately owned horses or cattle • more than 1 kilometre from a commercial boarding kennel or commercial livestock business • more than 3 kilometres from a sanctuary or conservation area, such as Bonorong Wildlife Service, Tasmania Zoo and Trowunna Wildlife Park • more than one kilometre from any reserved land, within the meaning of the Nature Conservation Act 2002 • more than one kilometre from a permanent timber production zone land, within the meaning of the Forest Management Act 2013 	Yes	No
Site Assessment – Safe Firing Distances (Protected Works)		
<p><i>Display site is unsuitable if 'no' to any of these questions, or you do not have the required consent</i></p> <p>Is the proposed site more than 200m from any storage of flammable or combustible materials, other than the fireworks themselves?</p> <p>Is the proposed site for the fireworks display more than 50 metres from:</p> <ul style="list-style-type: none"> • protected works (such as neighbouring houses or public facilities)? • major infrastructure (such as roads, gas, water and electrical utilities)? • tent, marquee or similar shelter? • motor vehicles? <p>Is the proposed fireworks display site more than 500m from of any of the following 'protected works':</p> <ul style="list-style-type: none"> • school or other educational institution? • hospital or other medical institution? • retirement home, aged respite centre or other aged-care facility? • church or other place of public worship? <p><i>If no, do you have consent from the owner or, or an authority responsible for the protected works?</i></p> <p>Are all of the designated spectator areas more than 10m from any firing area?</p>	Yes	No

Site Assessment – Safe Firing Distances (Aerial Fireworks)

Display site is unsuitable if 'no' to any of these questions. You may be issued with 'ground effects only' permit.

Is the placement and firing of aerial fireworks more than 10 metres from:

Yes No

- above-ground power lines?
- above-ground communications cables?
- streetlamp poles or flagpoles?
- gantries, cranes or similar high structures?
- tall trees?

Does the proposed site include an area set apart for the landing of aerial fireworks or debris which is:

- more than 100m from designated spectator areas?
- free from flammable or combustible material?

A fireworks display permit may be refused if:

- the proposed fireworks display cannot be conducted without the likelihood of causing 'serious harm to the environment' or 'material harm to the environment' as defined by the *Explosives Act 2012*
- the proposed fireworks display cannot be safely organised and held
- multiple applications for the same address have been made
- applicant is not considered to be fit and proper person to hold a fireworks display, having regard to the criteria in Schedule 4 of the Explosives Regulations 2012.
- information provided in this or previous applications is false or misleading

If issued with a fireworks display permit, you must: Notify adjoining property owners at least 7 days prior to the display, and strictly comply with the display date, times and permit conditions. If the proposed site is on the seashore and the display will involve any aerial display of fireworks, the Marine and Safety Authority established under the Marine and Safety Authority Act 1997 (MAST) must be notified.
