

WorkCover Tasmania Board and WorkSafe Tasmania Strategic Plan 2024–2028

Working together towards safe and healthy work for everyone

PRIORITY GOALS

PRIORITY OUTCOMES

10%

reduction of
serious injury
frequency rate

Goal 1

Safer and healthier workplaces

More people in Tasmanian workplaces are safe and healthy at the end of the working day.

Industry use of higher order controls to design safe and healthy work is the norm.

85%

durable return
to work score

Goal 2

Supporting people affected by
workplace injuries

People are supported to minimise the impact of, and maximise their recovery from, physical and mental workplace injuries.

Support is provided through an early intervention approach in a fair and sustainable compensation system.

2%

improvement in
health, safety and
injury management

Goal 3

Building a collaborative health, safety
and injury management culture

Tasmanians work together to build safer and healthier workplaces.

Thank you to stakeholders across Tasmania for sharing your knowledge, expertise and experience to develop this strategic plan.
